TREVOR CHARLTON                            )

**MOTION FOR ENLARGEMENT OF TIME**

The government respectfully requests an enlargement of three days, to June 14, 2019, for it to respond to the defendant's Supplemental Memorandum in Support of § 2255 Petition [D. 260] (the "Memo"). As grounds therefor, the government states that following the hearing on May 28, 2019, the Court set a schedule of further briefing by the defendant by June 4, 2019 and responsive briefing by the government by June 11, 2019. The court thereafter allowed the defendant's motion [D. 258] to extend his time to file further briefing to June 7, 2019. The defendant filed the Memo on that date. The government respectfully requests that, in order to afford it the seven days the Court intended for it to file its responsive pleading, the Court enlarge its time to do so to June 14, 2019.

Respectfully submitted,

ANDREW E. LELLING  
United States Attorney
